

More IBD Medical Education

Expand upon what you learned at the Crohn's and Colitis Congress® by attending Digestive Disease Week® (DDW), May 18-21, 2019, in San Diego, CA. Learn the new and most novel advancements in IBD research with a variety of scientific sessions — Research Forums, Clinical Symposia and Plenary Sessions — all dedicated to the hottest topics in IBD care and research. DDW is co-sponsored by AGA.

All IBD-related sessions and posters will be tagged to the Inflammatory Bowel Diseases track. DDW Tracks help you navigate through education relevant to you and can be used to filter in attendee planning resources, including the DDW Mobile App and *DDW News* Program Section.

Learn more about the meeting and register at www.ddw.org/registration.

* DDW On Demand, an online-only library including 400 hours of non-ticketed presentations from DDW 2019, is included with registration.

Scope Out the Exhibit Hall

Are you looking for innovative products and services? Visit the Exhibit Hall to see the world of GI companies in one place who supply products or services for all of your needs.

More than 285 companies will be present to show you new product technologies or enhancements. Specialty areas such as the New Exhibitor Pavilion and Foundation Row highlight first-time companies and nonprofits.

Saturday, May 18

8-9:30 a.m.	Biosimilars in IBD Care: Real-World Cases	Committee-Sponsored Symposium	AGA
	Growing New Intestines From Stem Cells: Hurdles and Progress	Translational Symposium	AGA
	Managing IBD in the Era of Biologics	Clinical Symposium	DDW
11:45 a.m.-12:45 p.m.	Hospitalized IBD Patient Management and Complicated Crohn's: Strictures, Fistulae and Perianal Disease (L105) \$	Postgraduate Course Luncheon Breakout Session	AGA
	Long-Term Management of IBD (L107) \$	Postgraduate Course Luncheon Breakout Session	AGA
2-3:30 p.m.	Emerging Roles of Intestinal Transporters in IBD and Beyond	Translational Symposium	AGA
	Farron and Martin Brotman, MD, Lecture	Research Forum	AGA
	Systems Biology and the Pathophysiology of IBD	Translational Symposium	AGA
	The Role of Diet and Environment in the Management of IBD	Clinical Symposium	AGA
4-5:30 p.m.	Special IBD Populations: Elderly, Pregnant, Pediatric Flipped Classroom (C115) \$	Postgraduate Course Case-Based Session	AGA
	The Other Cells in IBD: Myofibroblasts, Paneth Cells and Goblet Cells in IBD Pathogenesis	Research Symposium	AGA

Sunday, May 19

6:30-7:45 a.m.	Fecal Transplant in IBD: A How to Guide \$	Breakfast Connections	DDW
8-9:30 a.m.	Whole Exome Sequencing and Functional Assays as Tools for Studying Early-Onset IBD	Translational Symposium	AGA
10-11:30 a.m.	Diagnosing and Managing Pediatric IBD in the 21st Century	Clinical Symposium	AGA
	Kiron and Kamala Das Symposium: World IBD Abstract Session	Research Forum	AGA
	Pathogenesis of IBD	Research Forum	AGA
12:30-1:45 p.m.	Separating the Wheat from the Chaff: How to Analyze Clinical Trials and Follow Novel Agents \$	Meet-the-Professor Luncheons	DDW
12:30-1:45 p.m.	IBD Session	Roundtable-With-the-Experts	DDW
2-3:30 p.m.	Ellen Scherl-Jill Roberts Lecture: AGA Clinical Care Pathways — Optimizing IBD Care in Your Daily Practice	Clinical Symposium	AGA
4-5:30 p.m.	Endoscopic Issues in IBD	Clinical Symposium	ASGE
	Immunology, Microbiology & Inflammatory Bowel Diseases (IMIBD) Section Distinguished Abstract Plenary	Distinguished Abstract Plenary	AGA

Monday, May 20

8-9:30 a.m.	Medical Management Following Surgical Therapy in Inflammatory Bowel Disease: Evidence From Cochrane Reviews	Clinical Symposium	AGA
10-11:30 a.m.	Fire in the Hole: Are We Winning the War Against Fistulizing Crohn's Disease?	Clinical Symposium	AGA
2-3:30 p.m.	Patricia and Ralph Giannella Lecture: All About JAK	Research Forum	AGA
4-5:30 p.m.	AGA's Lo Mejor de DDW	Committee-Sponsored Symposium	AGA
	Translating Genetic Insights to IBD Decision-Making	Research Symposium	AGA

Tuesday, May 21

8-9:30 a.m.	IBD Clinical Trials I	Research Forum	AGA
10-11:30 a.m.	IBD Clinical Trials II	Research Forum	AGA
4-5:30 p.m.	Microbiome as Therapy in IBD and CDI	Research Symposium	AGA
	Technological Advances in IBD	Clinical Symposium	AGA
